The Marvel Method

COLLABORATIVE ASSIGNMENT FOR ART OF THE COMIC BOOK

3 pages, content entirely created by students. Writer and artist create a story synopsis. Artist creates full-size pencil art, adding plot details along the way. Writer then types a script, indicating word placement directly on the pencilled art. Script and pencilled art are given to another student to letter and border, then to yet another student for inking!

ABOUT ART OF THE COMIC BOOK

Art of the Comic Book is a goal-orientated, college-level studio workshop for making comics with traditional ink-on-paper media. Fundamental comic book media techniques include storytelling, character design, working with scripts, hand lettering, inking with brushes and dip pens, figure drawing, sketchbook practice and group critiques.
